### Caraterísticas:

23431 – in duroplast, with antibacterial protection, with stainless steel clipOff hinges with slowclose

23411 – in duroplast, with antibacterial protection, with stainless steel clipOff hinges

23441 – in duroplast, with antibacterial protection, with stainless steel clipOff hinges with slowclose

**ClipOff:** quick-fit system for toilet seat hinges, that make the assembly and removal of the toilet seat extremely quick and easy for cleaning purposes, but it also ensures great reliability in its function.

**Slowclose:** damping system of the rim and the cover.

Both systems are independent.
